About See Change Education

See Change Education is an English Communications Academy that supports students (aged 5-18) to become future leaders by helping them to cultivate critical future skills and leadership qualities through highly-engaging classes and competitions with global exposure.

Collaboration	Confidence	Critical Thinking	Empathy
Global Exposure	Logical Thinking	Persuasive Communication	Quick Thinking

Learning Domains

Skills	Skills Area
Public Speaking Class	Students will learn practical public speaking techniques and receive personalized feedback to overcome their communication challenges.
AI & Future Language AI Literacy, Data Literacy etc.	Students will gain essential skills for the data-driven world: understanding, analyzing, and effectively communicating data through engaging brain teasers.
Vocabulary (English Usage)	Students are introduced to a diverse range of expressive language tailored to various contexts, enabling them to articulate their ideas more precisely and persuasively.
HK Cultural Activities / University Visit	Visit Hong Kong for diverse cultural experiences and university visit.
